Instructions:

1. Print template or draw your own flowers.
2. Decorate the flower shapes using pens and crayons.
3. Cut out the flower shapes carefully with scissors. Always ask an adult for help.
4. Get a pencil, stick, chopstick or bamboo and use sellotape to stick it to the stem of the flower. This will give your flower structure and will make it stand up.
5. Arrange your flowers in a mug, cup or vase. Give the flowers to your mum with love!
